**Please indicate your preferences for receiving publications from PMI below**

**Choose digital delivery to receive *PM Network®* and *PMI Today®*!**

When you select digital delivery to receive your PMI member publications, you get them without waiting for postal delivery. Digital delivery also helps contribute to conserving the paper and other resources required to print and mail these publications.

*PM Network®* (monthly) informs members about the most recent advancements in the profession, what skills are in demand, whose projects are forging new paths, and where the jobs are.

*PMI Today®* (monthly) delivers information about the institute - how chapters are making connections with employers in their areas to advance the profession, the unique opportunities available for volunteers, PDU-generating programs, and what sets PMI apart from other associations.

Click here to select **digital delivery** of *PM Network®* and *PMI Today®* - you will receive notification in your email box immediately as these publications are available - no waiting! And this option helps conserve paper resources as well.

Click here to select **postal delivery** of *PM Network®* and *PMI Today®* - your publications will be delivered in paper copy by your local post office. Depending on where you live, this can take from several days up to 6 weeks. For your convenience you will also receive digital notification of these publications.

*Project Management Journal®* is a quarterly publication that provides insight into the latest academic research being conducted in project management. The *Journal®* is an international peer-reviewed publication including papers that discuss research, technique, theory and practice.
