

**SABCONS helps modern organizations and professionals accelerate their growth through high-end training and consulting engagements in Project Management, Leadership, and Strategy. SABCONS is India's First Chartered Global Registered Education Provider of Project Management Institute (PMI)®, USA.**

# WHY SABCONS?

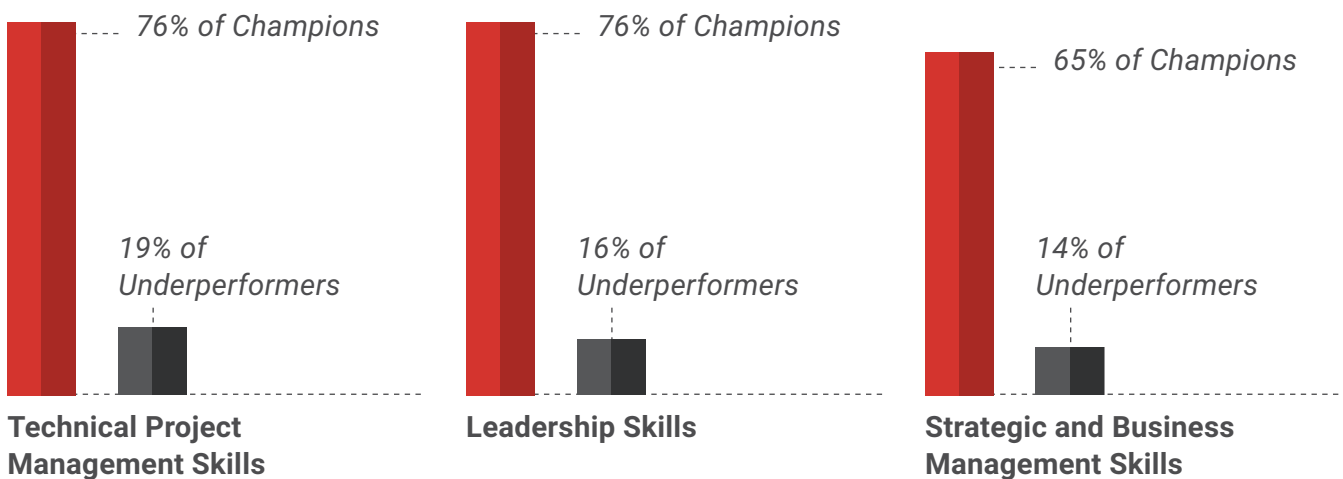

Come to SABCONS for **high impact learning** with a unique mix of incisive games, case studies, exercises, role plays, videos and experience sharing all in a fun, stimulating environment. The organization-specific, tailor-made workshops equip participants with practical, deployable skills helping them smoothly **transition into higher roles** or assume larger spans of responsibilities. SABCONS facilitators come with proven individual experience of more than 20 years, having played **key leadership roles** in organizations around the world. As regular participants at PMI® seminars and other workshops, they keep abreast of the latest management practices and contemporary trends with a **sharp insight into the global context**.

# WHY CONSULTING AND TRAINING?

**CHAMPIONS:** Organization with **80% or more of projects being completed on time and on budget**, and meeting original goals and business intent – and having **high benefits realization maturity**.

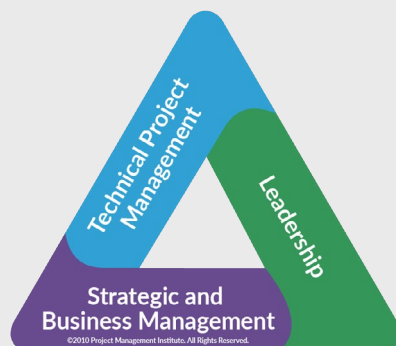

**UNDERPERFORMERS:** Organization with **60% or fewer of projects being completed on time and on budget**, and meeting original goals and business intent – and having **low benefits realizations maturity**.
